

Answer Sheet for General Intelligence.

Give yourself exactly 12 minutes to answer these questions. You have to choose the answer you think is correct, by darkening the box on the answer sheet which corresponds with the answer you choose. As an example; if 'C' was the answer you choose, you would darken the box marked with a 'C'. A B C D E

Practice Sample Test for General Intelligence.

This is a test of problem solving skills. All questions must be answered without using a calculator, dictionary or other resource. There are 50 questions on this test. The questions become harder as you get further into the test. Give yourself exactly twelve (12) minutes to answer these questions. Many people do not finish all of the questions, but do your best. Random guessing is not likely to improve your score. Do not skip around or spend too much time on any one question. Record your answers on the Wonderlic answer sheet. Answer as many questions as you can in the time allowed.

- Which of the following is the earliest date?
A) June 6, 1996 B) July 9, 1969 C) March 27, 1996
D) June 9, 1969 E) July 9, 1999
- The words **COMPLEMENT** and **COMPLIMENT** have _____ meanings.
J) similar K) contradictory L) unrelated
- What is the next number in the series? 24 31 38 45 52
A) 54 B) 23 C) 65 D) 59 E) 44
- If the first two statements are true, is the final statement true?*
Anthony's favourite colour is blue.
Blue isn't Emma's favourite colour.
Simon's favourite colour is red.
J) yes K) no L) uncertain
- SUNSCREEN** is to **SUNBURN** as **VACCINATION** is to _____?
